

The School of the Damned

Class of 2019 Manifesto

- We aim to create opportunities for and collaborate with those outside of the School of the Damned.
- We aim to learn from each other through sharing our skills and knowledge.
- We aim to regularly invite people to deliver talks and workshops, including events that are open to the public.
- We aim to make our learning resources publicly available.
- We aim to acknowledge and challenge the School of the Damned.
